Details:

1732 W. North Street is a newly constructed, state-of-the-art medical facility prominently located along one of Kendallville's primary commercial corridors. The property offers excellent visibility, convenient access, and ample on-site parking. The freestanding building features modern medical construction, professional exterior finishes, monument signage, wheelchair accessibility, and a dedicated turn lane that enhances customer access and traffic flow. The site is designed to support healthcare and medical office operations while providing a strong presence within the local retail and service corridor.

Perfect for urgent care, primary/specialty care, dental, PT/OT, behavioral health, wellness/med-spa, or professional office users seeking medical-grade improvements without the time and cost of ground-up construction.

Offered as-is for sublease with immediate availability.
