Market Overview

ST. JOSEPH COUNTY, INDIANA

Activity and energy dot the city landscapes, while serenity and the quiet of rural living can be found in the county's small towns. Cities like South Bend and Mishawaka give residents the taste of mid-size city living coupled with shopping, arts and culture, sports and recreation, not to mention the benefits of having five major universities at our doorstep.

Our cities, towns and neighborhoods reflect a convergence of tradition and transformation. South Bend is the only place the University of Notre Dame has ever called home. And, this is the place where industrial manufacturing was king. While we honor the traditions and history, we're also a place on the move—where advanced manufacturing, logistics, health care and research are king.

Mishawaka, the Princess City, lies nestled along the meandering path of the St. Joseph River. Population growth, business expansion and record-breaking new construction tell us that people want to live, work, raise their families and retire in Mishawaka. Community pride is an essential part of life in the Princess City. But, construction and growth are not all that make a city great. Mishawaka is home to Bethel College, AM General's Hummer Plant, a beautiful system of parks and myriad cultural opportunities.
